

**BASKETBALL CAMPS
2018**

“Get the fundamentals down and the level of everything you do will rise.” Michael Jordan

“A winner is someone who recognizes his God-given talents, works his tail off to develop them into skills, and uses these skills to accomplish his goals.” Larry Bird

High Glass is a basketball camp for athletes that have a desire to advance their skills and abilities by focusing on the fundamentals of the game. The High Glass staff is made up of quality and experienced coaches who incorporate the best and newest drills that are consistent with the game today; whether these drills are boxing out, shooting off the dribble, creating space with or without the ball, posting up with productive moves, playing aggressive defense, running the floor, or keeping spacing on the floor. The campers are going to experience all of this and more.

We want to personally invite your players to our **18th year of High Glass**. We are proud to say that we have helped many players reach their goals of playing basketball at the collegiate levels. Some of the colleges and universities past campers have played for are:
